## UNITED AFRICA FEEDER LINE

UAFL are proud to announce the extension of their Middle East Express Service (MEX) to include the port of Nacala. This new setup will now give customers a direct and best in market service to/from India, Pakistan, and the Gulf with Nacala. MEX will be served by 2 vessels turning approx. every 18 days. Transit times as detailed below.

UAFL will also be to connect Nacala cargoes to/from Europe and the Far East with transshipment over Jebel Ali.

Schedule and Agents details in all load ports can be found on our website: [www@uafllshipping.com](http://www@uafllshipping.com)
