

UAFL
UNITED AFRICA FEEDER LINE

20th June, 2022

Dear All,

Reference: New Member of the UAFL Management Team

We are pleased to announce the appointment of Mr. Ashish Joshi to the position of Operations Manager with effect from 1st July, 2022. Ashish will join our management team in Dubai and will be taking over the operational functions that have hitherto been provided by our partners in Hamburg.

Ashish joins UAFL with a wealth of knowledge in the shipping industry having worked at sea as a Master Mariner, and then in various shore based operational roles.

Ashish will be responsible for all the vessel and landside operational processes for UAFL.

With immediate effect kindly ensure he is copied on all correspondence related to such matters.
